MATNÉ ZLATO

Zlaté prvky v interiéru koupelny vyznačují luxus a eleganci. Specifický odstín matné zlaté barvy dodává prostoru výjimečný šarm a zdůrazňuje jeho nadčasovou krásu. Tento minimalistický, avšak luxusní vzhled zvyšuje estetickou hodnotu prostoru a vnáší do koupelny vznešenou a noblesní atmosféru. Vybrané produkty mají povrchovou úpravu PVD, která zaručuje výrobku dlouhou životnost a odolnost. Teplý tón matného zlata může efektivně nahradit studený chrom, čímž do koupelny vnese ještě více pohody.

GOLD MATT

Gold elements in the interior of the bathroom exude luxury and elegance. The specific shade of matt gold adds exceptional charm to the room and emphasises its timeless beauty. This minimalist yet luxurious look enhances the aesthetic value of the space and brings a noble and refined atmosphere to the bathroom. Selected products have a PVD finish that guarantees the product's longevity and durability. The warm tone of matt gold can effectively replace the cold chrome, bringing even more comfort to the bathroom.
